

5 September 2017

Radiation Protection Course October 2017

The next short training course on Radiation Protection for workers/users involving work with radioactive substances/irradiating apparatus in the University is scheduled to be held on the following dates.

<u>Date</u>	<u>Function</u>	<u>Time</u>	<u>Venue</u>
16/10/2017	Lecture	0930-1230hrs	Room 3, G/F, James Lee Science Building Main Campus HKU
17/10/2017	Lecture	0930-1230hrs	
18/10/2017	Lecture	0930-1130hrs(Radioactive substances) 1130-1230hrs(Irradiating apparatus)	
20/10/2017	Tutorial & test	0930-1130hrs	

Schedules for practical work, in the afternoon i.e. 2 – 5 pm (either on October 17 Tuesday or October 18 Wednesday) at Room 414, James Lee Science Building, will be arranged.

Existing radiation workers/users who have not already attended earlier courses, and those persons who expect to become designated in the near future are required to attend this course and test. The course is free of charge and is also open to any staff (academic or technical) or postgraduate students who are interested. For non-University members, the course fee is HK\$3,000.

Please register attendance on-line through the HKU Event Management System (HKUEMS): <http://hkuems1.hku.hk/hkuems/hkuevent.aspx>. The registration quota is 70. Registrants will be placed on a waiting list if the registration quota is reached. Enquiries can be directed to Ms. Doris Tsui at 2859 2547 (email: [rpuso@hku.hk](mailto:rpuso@hku.hk)).

Yours sincerely,

Dr. Forest Y.C. Lin  
Radiation Protection Officer

c.c. Dr. Edmund Hau, Director of Safety
