Annual Workshop for Departmental Safety Representatives (DSR)
10 March 2020

As in the past, the Safety Office will be holding our annual Workshop for Departmental Safety Representatives again this year. The details are as follows:

Date: 10 March 2020 (Tuesday)
Time: 2:00 p.m. – 5:00 p.m.
Venue: Wang Gungwu Lecture Hall, Graduate House

This year’s theme will be "Occupational Health in Hong Kong". Dr Mandy Ho, an expert in this area will share with us the latest developments in Hong Kong. The talk will touch on the health issues in a wide range of occupations including underwater and aviation work. The event will of course also provide you with the annual opportunity of being updated on the latest safety developments of the University, and mingling with your safety colleagues in other departments.

May I ask you to nominate your DSR or other relevant staff in your Department to attend this Workshop by filling in and returning the attached reply slip to the Safety Office as soon as possible and not later than 14 February 2020.

Thank you.

Yours sincerely,
