

The University of Hong Kong
Safety Declaration for Research Higher Degrees

This Declaration Form is to be used by the student of a Research Higher Degree project, which is to be carried out in a laboratory or workshop (or other facilities where hazardous substances/equipment may be used), to provide information about the project and declare that it EITHER does not involve the use of any hazardous substance/equipment OR it is covered by sufficient safety measures to control the risk to an acceptable level. The form is to be endorsed by the principal supervisor of the project. The completed Form is to be kept by the student's Department for a period of 3 years after the completion/termination of the project[#].

Name of student: _____

Department: _____

Project Title: _____

Degree type (please tick one of the three boxes below):

MPhil PhD Others _____

Part 1. Declaration by student

I declare that the project (please tick only one of the two boxes below)

does not involve the use of any hazardous substance/equipment, OR

involves the use of the following hazardous substance(s) and/or equipment* (please tick the relevant box(es) below, and provide information):

Biological agents: _____

Chemicals: _____
