Pursuant to the Personal Data (Privacy) Ordinance.

(1) The personal data will be used for all types of processing relevant to enrolment and for all other associated purposes including statistical and research purposes. The data will be handled by the Safety Office staff only.

(2) The application papers of successful candidates will become part of the student file, with which connection to the data will thereafter be handled by the Safety Office staff only.

^Please see Personal Information Collection Statement below

The University of Hong Kong Safety Office Personal Information Collection Statement, Certificate Course in Radiation Protection. The personal data you may choose to provide in your request for service will be used solely by members of the Safety Office Radiation Safety Team to facilitate communication and arrangements for provision of Safety Office services in connection with Radiation Protection. The personal data will not be transferred and disclosed to the University's faculties/schools/departments/other offices and work units/staff members. Other than when required by the Radiation Board, it will not be transferred or disclosed to other organisations, agencies and persons in or outside Hong Kong (e.g. service providers engaged by the University). In handling the personal data provided, the requirements of the Personal Data (Privacy) Ordinance ("Ordinance") and other applicable legal requirements of other jurisdictions will be strictly complied with. You have the right to request access to and correction of your personal data as provided for in Sections 18 and 22 and Principle 6 of Schedule 1 of the Personal Data (Privacy) Ordinance. Please visit the University's Privacy Policy Statement for enquiries or further details. If you choose to provide personal data in connection with your request for service you will be agreeing to the above statements.
