

15 November 2021

Dear DRSRs,

Safety Office will organize a 3 hours Ionizing Radiation Protection Course with Practical/Demonstration for Researchers Involving External Radiation Hazard. The objectives of this course is to:

- support temporary designated Workers/Users to renew their registration;
- provide Certificate of Attendance for staff and students who will work with sealed Radioactive Substances(RS) and/or Irradiating Apparatus(IA) in near future (NOT a 14 hours Radiation Board approved certificate course at level of Supervisor/DRSR for licencing purpose);
- help workers/users to work safely when external radiation hazard involved.

According to space (75% occupancy of our lab), only limited seats are open for registration. Priority will be offered to those in the University Temporary Designated Radiation Workers/Users list. Other seats will be on a first-come-first-serve basis.

Course: 3 hours Ionizing Radiation Protection Course with Practical /
Demonstration for Researchers Involving External Radiation Hazard

Time: 9:15 am to 12:15 pm

Date: 7 December 2021 (Tuesday)

Venue: Room 414 and Room 414A, James Lee Science Building, main campus

Please complete the attached enrollment form and return it to us through email rpuso@hku.hk (attn.: Ms. Eunice Lee) for registration by 24 November 2021.

Thank you.

Yours faithfully,

Dr Paul Hunt
Director of Safety

/Encl.
